OF

LAKE FOREST
COLLEGE

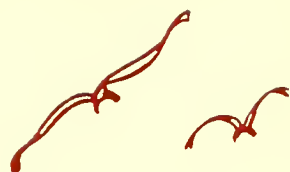

LAKE FOREST, ILLINOIS

RUSSELL CARLTON TOMLINSON

Dedication

As a formal dedication, tribute is paid to Russell Carlton Tomlinson as a man who has brought the speech and dramatic work at Lake Forest College to a high level of excellence; who has maintained a record of consistent and distinctive success in a creative field; who demands only cooperation and reciprocal hard work.

Informally, this book is dedicated with warm appreciation to "Mr. Tommy".

Foreword

" . . . So the visitors, leaving the railway track, plunged into the forests, and seeing the ravines and the bluff as they are at this point on the lake, decided with much enthusiasm that this spot was the most attractive and desirable that they had found."

Thus it was that in 1855 three men of the Presbyterian church chose the beautiful site for a new educational institution which was to become Lake Forest College, chartered in 1857.

For the Eightieth Anniversary of Lake Forest College, this Forester attempts to portray the fulfillment of the ideality of its pioneers by first: superimposing its material upon a realistic treatment of Lake Forest beauty, and second: by symbolizing the close social contact of a smaller college with the sketches of hands on each division page.

Quotation: *History of the Presbyterian Church, Lake Forest, Illinois* by Rev. James G. K. McClure. April, 1905.

Faculty

Herbert McComb Moore

President

Doctor Herbert McComb Moore is President of Lake Forest College. Doctor Moore received the Bachelor of Arts degree from Lake Forest College in eighteen-hundred and ninety-six, majoring in Political Science. He received the Bachelor of Divinity degree three years later from McCormick Theological Seminary. This was followed by two years of graduate study in Edinburgh, Scotland, under Professor James Orr at the United Presbyterian College, and by travel in Scotland, England, Germany, and Switzerland.

In nineteen-hundred and one Doctor Moore began his ministry at the Presbyterian Church in Goldfield Mining Camp, Colorado. This was followed by charges in Milwaukee and Appleton, Wisconsin, and in Covington, Kentucky. During nineteen-hundred thirteen and seventeen, he was the Presbyterian University Pastor at Cornell University, Ithaca, New York, and also a member of the Board of Directors of the Cosmopolitan Club. He left this position to go to France with the American Army as Y.M.C.A. Secretary; while there he was stationed at Chaumont and Lormont.

Returning from France, Doctor Moore became Director of Religious Work at the University of Pittsburgh under the Harbison Foundation, and was a member of the Dean's Council. In nineteen-hundred and twenty he became President of Lake Forest College, and a year later received the honorary Doctor of Divinity degree from the University of Pittsburgh.

Doctor Moore was President of the Federation of Illinois Colleges in nineteen-hundred thirty and thirty-one, and of the Presbyterian College Union in nineteen-hundred and thirty-two.

WILLIAM MCPHEETERS

Doctor William E. McPheeters is Dean of the College and head of the Department of English. He holds the Bachelor of Arts degree from DePauw University, the Master of Arts degree from Harvard University, the Bachelor of Systematic Theology and Doctor of Philosophy degrees from Boston University.

Dean McPheeters, whose name appears in *Who's Who in America*, was a Chaplain, with the rank of First Lieutenant, overseas during the World War. After the War he was sent by the American Expeditionary Force in France to Cambridge University, England, for advanced study. On his return to the United States he became Professor of English at Lawrence College, where he remained until coming to Lake Forest College in nineteen-hundred and twenty-nine.

Professor McPheeters is a member of the National Council of Teachers of English, the American Association of University Professors, and Phi Beta Kappa. He is the author of *Outline Guide for a Study of English Literature*, *Literary Terms*, and contributed a biography of Rufus King to the *Dictionary of American Biography*.

AGNES ROSE KOUPAL

Miss Agnes R. Koupal is Dean of Women and Assistant Professor of English. Miss Koupal received the Bachelor of Arts degree from the University of Illinois, and the Master of Arts degree from Columbia University in a course for advisors of women.

Miss Koupal was Dean of Women at Monmouth College before coming to Lake Forest College in nineteen-hundred and twenty-seven.

FLETCHER BARKER COFFIN

Doctor Fletcher B. Coffin is head of the Department of Chemistry. He holds the following degrees from Harvard University: Bachelor of Arts, Master of Arts, Bachelor of Laws, and Doctor of Philosophy. He came to Lake Forest College in nineteen-hundred and nine from Haverford College. Previous to this he had been associated with a Boston law firm, and with the utility management and construction firm of Stone and Webster.

Doctor Coffin did his research work in the field of atomic weights, making determinations of the atomic weights of Cobalt and Arsenic. For one year he was also associated with Professor T. W. Richards, a Nobel Prize winner in an investigation on the atomic weight of Silver.

RONALD BOAL WILLIAMS

Doctor Ronald B. Williams is Professor of Romance Languages. He holds the Bachelor of Arts degree, the Master of Arts degree, and the Doctor of Philosophy degree from the University of Iowa. He has also studied at Northwestern University, and at the Centro de Estudios in Madrid. Doctor Williams came to Lake Forest in 1923. Interested chiefly in French and Spanish, he has done graduate work in the former in such fields as Moliere and the classical drama, the early and the modern novel, Romanticism, Realism, neo-Romantic and contemporary drama, and lyric verse. His graduate study in Spanish has comprised Old Spanish, philology and historical drama, phonetics, the drama of all periods, the picaresque novel, Cervantes, the regional novel, and contemporary literature.

Doctor Williams has worked incidentally in the minor Romance languages and in methods of language teaching. He does research work in Spanish, Portuguese, and Italian drama of the sixteenth century, in the ideology of Voltaire, in recent Franco-Spanish literary relations, and in grammatical subjects. He is a contributor to *Romantic Review*, *French Review*, *Modern Language Notes*, *Modern Language Journal*, *Spanish Review*, and *Philological Quarterly*. He has traveled extensively in Europe in the interests of his teaching and research.

BRUCE LINEBURG

Doctor Bruce Lineburg, head of the Department of Biology since nineteen-hundred and twenty-four, is a graduate of the Milton Commercial College, Pennsylvania. He has the Bachelor of Pedagogics degree from Southwestern State Normal, Pennsylvania, the Bachelor of Arts degree from Ohio University, the Master of Arts and the Doctor of Philosophy degrees from Johns Hopkins University. His graduate work has been in Education, Zoology, Plant Physiology, and Medical Entomology.

His professional experience includes being private secretary to the president, Rockefeller Hotel Company, New York City; Principal of the Webster, Pennsylvania, Public Schools; Principal of West Lafayette, Ohio, High School; Superintendent of the Monroe County, Ohio, Public Schools; and Assistant in Beekeeping, Bureau of Entomology, Washington, District of Columbia.

Doctor Lineburg has contributed a number of papers and has lectured on the honeybee to the state and national associations. He is at present engaged in making original illustrations for a course in General Biology. More than three hundred of these have been completed, and a number of them have been published. Others have been reproduced as lantern slides. He is joint author of a Laboratory Manual for General Biology.

He is found in *American Men of Science*, is a fellow of the American Association for the Advancement of Science, a member of the American Society of Zoologists, the American Society of Parasitologists, and Sigma Xi.

ERNEST AMOS JOHNSON

Ernest A. Johnson is head of the Department of Economics and Business Administration. He did his undergraduate work at Colorado College, and the work for the Master's degree at Denver University. He continued his graduate work at the University of Chicago and Northwestern University, receiving the Doctor of Philosophy degree from the latter institution in nineteen-hundred and thirty-three. He came to Lake Forest College as instructor in nineteen-hundred and twenty-four, and since then has been Assistant Professor, Associate Professor, head of the Department, and Professor in nineteen-hundred and thirty-three. During the academic year, nineteen-hundred thirty and thirty-one, he was on leave of absence, teaching at Northwestern University and doing research work for an investment house in Chicago.

Before coming to Lake Forest College, Doctor Johnson was employed in the superintendent's office, Western Union Telegraph Company, Denver, Colorado, where he assisted in the supervision of seventy-five branch offices. He also assisted in the formation and direction of a successful investment company in Denver.

He has published a series of articles analyzing the record of long term real estate securities issued in the years nineteen-hundred nineteen through thirty-five. He is continuing this research. He is a member of Phi Beta Kappa, Phi Eta Sigma, Phi Delta Theta, Phi Pi Epsilon, the American Economic Association, and the Chicago chapter of the American Statistical Association.

ROSCOE EVERETT HARRIS

Doctor Roscoe Everett Harris is head of the Department of Physics. He took the Bachelor of Science degree from Missouri State Teachers College. He received the Master of Science and the Doctor of Philosophy degrees from the University of Chicago.

Before coming to Lake Forest College in nineteen-hundred and twenty-five, Doctor Harris had taught at Williams and Mary College, and been Associate Professor in Physics at the University of Vermont. He had also been a Second Lieutenant in the Field Artillery of the Army during the World War.

Coming here as Professor of Physics, Astronomy, and Mathematics, Doctor Harris now teaches Physics only and an occasional advanced course in Mathematical Physics. He spent his first years in completely revising and modernizing the curriculum of Physics courses.

Doctor Harris has done research in various phases of Physics, including television, photo-electric cells, thermionics, X-rays, and nuclear disintegration. He gave a report on thermionics before the Physics Society in nineteen-hundred and thirty-three, having developed a manual in this field which is still in use. Doctor Harris is working on a Physics text-book which is still in mimeograph form.

He is a member of the American Physical Society, the American Association for the Advancement of Science, and the American Association of Physics Teachers.

HAROLD BARTLETT CURTIS

Doctor Harold Bartlett Curtis is head of the Department of Mathematics. Professor Curtis received the Bachelor of Arts degree and Doctor of Philosophy degree from Cornell University.

Before coming to Lake Forest College in nineteen-hundred and twenty-six, Professor Curtis was an instructor in Mathematics in Barnard College, Columbia University, and in Northwestern University. He was an Associate Professor in Mathematics in Marquette University during nineteen-hundred twenty-five and twenty-six. During nineteen-hundred seventeen and eighteen, he was a second lieutenant in the United States Aviation Corps.

Doctor Curtis is a member of Pi Kappa Phi, Phi Beta Kappa, Sigma Xi, the American Mathematical Association, the Mathematical Association of America, and the American Association of University Professors. He is listed in *American Men of Science*.

Professor Curtis has had various articles published in *Popular Astronomy*, including two articles on the *Sun Dial and Its Design*, *Seeing Stars in the Daytime*, *Venus Visible at Inferior Conjunction*, *Venus Visible Near Superior Conjunction*, and *Stellar Parallaxes* in the *Annals of the Dearborn Observatory*.

GEORGE NEWTON SLEIGHT

Doctor George Newton Sleight is head of the Department of Education. Professor Sleight received the Bachelor of Arts degree from Williams College, the Bachelor of Pedagogics degree from New York State Teachers College, and the Doctor of Philosophy degree in Greek and Latin from the University of Chicago. His Doctor's Dissertation was *The Life, Style, Vocabulary and Philosophy of Themistius*.

Professor Sleight came to Lake Forest College in nineteen-hundred and twenty-seven. Before that time he was active in educational administrative work. For thirteen years he headed the Elgin Academy at the request of Doctor William Harper, the first President of Chicago University. After this he became Superintendent of Schools at Saint Petersburg, Florida. From this post he went to North Dakota State Teachers' College to become Professor of Education and Director of the Training School.

At present Doctor Sleight is carrying on investigations in Modern Educational Ideals and Trends in the Secondary-school and College Levels, and on Efficient Study Techniques and Motivations. Among his more recent publications are *Magic for Amateurs*, and articles on *College Work at Home* and *On Going to College*.

Doctor Sleight is a member of Theta Delta Chi, and Pi Gamma Mu, national honorary society of social sciences.

STERLING PRICE WILLIAMS

Doctor Sterling Price Williams has been head of the Department of Philosophy and Psychology since nineteen-hundred and twenty-seven. Professor Williams was awarded the Bachelor of Science degree of Polytechnic College, which is now Southern Methodist University, the Master of Arts degree by the University of Texas, and the Doctor of Philosophy degree by the University of Chicago. He was a Fellow of the Department of Philosophy at the latter university for two years, during which time he acted as an assistant to the professors in various capacities.

Professor Williams' teaching experience in the fields of Philosophy and Psychology extends over a period of eighteen years. During this time he has taught at the University of Texas, Huron College, and Illinois Wesleyan.

He is a member of the American Philosophical Association and the American Association for the Advancement of Science. While here, he has added three new courses to the department: Mental Hygiene, Experimental Psychology, and Aesthetics.

RAYMOND PHINEAS STEARNS

Doctor Raymond P. Stearns is head of the Department of History. He took the Bachelor of Arts degree from Illinois College, the Master of Arts and the Doctor of Philosophy degrees from Harvard University. Doctor Stearns' Doctoral Dissertation was entitled *Hugh Peter: A Biography*; parts of it have been published in article form, and the revised whole is about to be published in book form. Before coming here, Professor Stearns had studied two years at the Institute of Historical Research, London University, as Fellow of the Social Science Research Council of New York City.

In addition to teaching in elementary schools, Doctor Stearns was an Assistant in the History Departments of Harvard University and of Radcliffe College. He was an Instructor during the summer of nineteen-hundred and thirty-one at the Massachusetts State College.

Professor Stearns has contributed to the following publications: *Agricultural History*, *The New England Quarterly*, *The Dictionary of American Biography*, *Proceedings of the Bostonian Society*, *Devon and Cornwall Notes and Queries*, *The Essex Institute Historical Review*, *The Annals of Science*, and *The Mississippi Valley Historical Review*. At present he is working on several articles treating of the British Colonies of North America, and a volume probably to be called *The Royal Society and the Colonies: A Study of the Migration of Scientific Ideas to the New World*.

KARL ADOLPH ROTH

Mr. Karl Adolph Roth is Assistant Professor of Religion and Biblical Literature. Mr. Roth took the Bachelor of Divinity degree at Oberlin Graduate School of Theology, and his Master's degree in Religious Education at Northwestern University. At this latter institution he also pursued further graduate work in the history and literature of religions.

Before coming to Lake Forest College in nineteen-hundred and twenty-seven, Mr. Roth was a pastor in the active ministry.

RUSSELL CARLTON TOMLINSON

Mr. Russell Carlton Tomlinson became Assistant Professor of the Department of Speech and Dramatics in nineteen-hundred and twenty-eight. Mr. Tomlinson received the Bachelor of Arts degree from DePauw University, and also did graduate work at this institution, during which time he was in charge of the practice teachers in speech at Greencastle High School. He has done further graduate work at the University of Wisconsin.

In his first year of teaching, Professor Tomlinson was Principal of the Junior High School of Sullivan, Indiana, where he directed public speaking and dramatic work. Professor Tomlinson has taught at the summer schools of Central Normal at Danville, Indiana, and at DePauw University. He was also Principal of the Westfield, Indiana, High School.

Besides maintaining the high standard of work in his courses, Mr. Tomlinson has achieved remarkable success with his debate teams in intercollegiate competition. The orators which he has trained have placed well in state contests. And his Garrick Players are well known in this part of the country for their finished performances which include such productions as *Alien Corn*, *Street Scene*, and *The Barretts of Wimpole Street*.

LOUIS A. KELLER

Mr. Louis A. Keller is Assistant Professor of Economics. Mr. Keller received the Bachelor of Arts degree from Carroll College, and the Master in Business Administration degree from Northwestern University. In addition to this he has done considerable graduate work and research work in Summer Sessions at the University of Wisconsin in Land Economics and General Economics, and graduate work at Northwestern University in General Economics.

Before coming to Lake Forest College in nineteen-hundred and twenty-eight, Mr. Keller was employed as a research assistant in the Institute of Land Economics and Public Utilities of Northwestern University.

In addition to his teaching duties, Mr. Keller is freshman baseball coach. Mr. Keller has had long experience in this sport as a player, as an organizer of teams, and as a manager of a team in the Land of Lakes League.

S. A. HARTZO

Mr. S. A. Hartzo is Associate Professor of Political Science. Mr. Hartzo took the Bachelor of Arts degree and Certificate in Commerce from Washington and Lee University, the Master's degree from Columbia University, and has done other graduate work at Wisconsin University and the University of Chicago.

Before coming to Lake Forest College in nineteen-hundred and thirty, Professor Hartzo had taught at Washington and Lee University, and had been in charge of the Political Science Department at the University of North Dakota. He was a Second Lieutenant in the United States Army during the World War.

Attending the University of Chicago on a Local Community Research Scholarship, Mr. Hartzo gathered data for material used in H. F. Gosnell's *Negro Politicians*. His work took him into the black belt of Chicago as a census enumerator.

In nineteen-hundred and thirty-two, Professor Hartzo was selected by the Carnegie Foundation as one out of fifty teachers of International Law in the United States to spend two months of special lecture and study on the work of the Conference for the Codification of International Law, which was part of the Hague Conference of nineteen-hundred and thirty. His special field is that of International Law and Relations, and he is now occupied with work on the subject of Treaty Procedure.

MARY KOPENHAVER

Doctor Mary Kopenhaver became Instructor in Biology at Lake Forest College in nineteen-hundred and thirty-five. Miss Kopenhaver received the Bachelor of Arts degree from Hood College, the Master of Arts degree from Northwestern University, and last June received the Doctor of Philosophy degree from the same institution.

Doctor Kopenhaver spent the summer of nineteen-hundred and twenty-nine in study at the Marine Biological Laboratory, Wood's Hole, Massachusetts. Her completed research work has consisted of collaboration on an article, *The Differential Distribution of Water in the Tissues Along the Long Axis of Allolobophora caliginosus*; *Anatomical Record*, vol. 54, and a paper, *Water Absorbing Properties of Oligochaete Tissues*, presented before the American Society of Zoologists at Atlantic City, December twenty-ninth, nineteen-hundred and thirty-six.

Doctor Kopenhaver is a member of Sigma Delta Epsilon, Sigma Xi, and the American Association for the Advancement of Science.

VICTOR GRAHAM DAVEY

Mr. Victor Graham Davey is Instructor in Romance Languages. Mr. Davey has received the Bachelor of Arts degree from Bard College, Columbia University, and the Master of Arts degree from Northwestern University. His Masters' thesis was on *Symmetry Between Character and Milieu in Zola*. He has done additional graduate study at Chicago University, Harvard University, Northwestern University, and the Sorbonne, of the University of Paris. He has completed his work for the Doctor of Philosophy degree except for his Dissertation and examinations.

Mr. Davey's present research includes *The Problem of Style in Stendhal*, *Romantic Elements in Zola*, *The Authorship of Celestina from Internal Evidence*, and his Doctor's Dissertation on *Dramatizations of Balzac's Novels*. Mr. Davey is planning a trip to France this summer to do research for his Dissertation.

Before coming to Lake Forest College in nineteen-hundred and twenty-eight, Mr. Davey was an Assistant Instructor at Northwestern University.

LOUIS ORTON PALMER

Mr. Louis Orton Palmer is Director of Music. Mr. Palmer received the Bachelor of Arts degree from Lake Forest College.

Having been a pupil of Leo Sowerby, Mr. Palmer is skilled in the mechanics of music, and is a composer as well as an interpreter of music. He has studied voice under Cora Edwards of the American Conservatory in Chicago. He became a member of the faculty of Lake Forest College in nineteen-hundred and thirty-six.

Mr. Palmer sings in the Saint James Episcopal Choir of Chicago, and was one of the founders of Pi Alpha Chi, the honorary musical society on campus. Mr. Palmer is the youngest instructor at the college.

ROBERT R. LOGAN

Mr. Robert R. Logan is Instructor in Economics. Mr. Logan received the Bachelor of Chemical Engineering degree from the University of Arkansas, and the Bachelor of Science degree in Business Administration from the same institution. He received the Master of Business Administration from Northwestern University and came to Lake Forest in nineteen-hundred and twenty-nine.

LILLIAN MARIE LENNARDS

Miss Lillian M. Lennards is Instructor in Spanish and Latin. She received the Bachelor of Arts and the Master of Arts degrees from Northwestern University. Her Master's degree was taken in Latin. Miss Lennards did further graduate work at the University of Chicago and the University of Mexico, and summer study in Madrid, Spain, and the American Academy in Rome, Italy. She became a member of Lake Forest's faculty in nineteen-hundred and thirty.

MILDRED TRAVIS MURPHY

Miss Mildred Travis Murphy is Director of Physical Education for Women and Instructor in English. She received the Bachelor of Arts degree from the University of Illinois, and the Master of Arts degree from Peabody College in the School of Education, where she majored in Physical Education and Education. Miss Murphy has done further graduate work at Kendall College.

Before coming to Lake Forest College in nineteen-hundred and thirty-two, Miss Murphy spent one year teaching in the High School at Hammond, Louisiana, and was Director of Health and Physical Education in Colleges at Troy, Alabama, and Statesboro, Georgia.

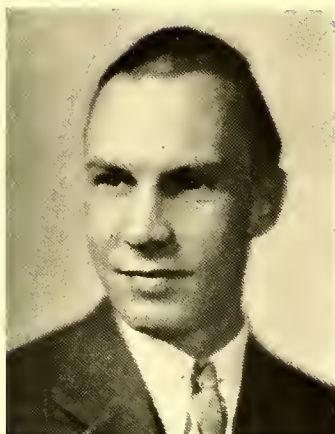

ELDON C. HILL

Mr. Eldon C. Hill received the Bachelor of Arts degree from DePauw University. For two years after graduation he was on the editorial staff of *The Indianapolis News*, editing copy, contributing reviews of plays and books, and serving as assistant state editor.

In nineteen-hundred and twenty-nine he entered the University of Wisconsin on a Graduate Scholarship, and in June, nineteen-hundred and thirty, received the Master of Arts degree. Then for two years he was Instructor in the English Department at Ohio Wesleyan University. He attended Columbia University in the summer of nineteen-hundred and thirty-one, and during the academic year prior to his coming to Lake Forest College in September, nineteen-hundred and thirty-three, he carried forward his work toward the doctorate in the English Department of the Graduate School at Ohio State University.

For the past few years he has been making a thorough study of the life and work of Hamlin Garland, Pulitzer Prize winner, the author of *Main-Travelled Roads* and the famous *Middle Border* series of books in social and literary history. Mr. Hill is basing his research largely upon original sources: letters, documents, and manuscripts, access to which has been possible through his personal acquaintance with the writer.

EDWARD FRANKLIN PERRY

Mr. Edward Franklin Perry is Instructor in History. Mr. Perry received the Bachelor of Arts degree from Amherst College, the Master of Arts degree from the same institution, and also the Masters' degree from Harvard University. His graduate work was in European and particularly English history. Since coming here in nineteen-hundred and thirty-three Mr. Perry has taken his preliminary exams for the Doctor of Philosophy degree, and has yet to write his thesis.

Before coming to Lake Forest College, Mr. Perry was a newspaper reporter in Hartford, Connecticut, and an Assistant in the Harvard History Department.

RALPH R. JONES

Mr. Ralph R. Jones is Director of Athletics. Mr. Jones started his college coaching at Wabash College, as Basketball Coach. He later was appointed Athletic Director and Coach of all major sports. After spending five years at Wabash he went to Purdue where he coached Basketball, Track, and the Backfield in Football. He finished his third year as Football Coach.

He went next to Illinois University as Assistant Athletic Director, acting Purchasing Agent for the Athletic Association, Coach of the varsity Basketball team, Freshman Football, and Assistant Coach in Baseball. After eight successful years here he went to the Lake Forest Academy as Athletic Director, coaching Football, Basketball, and Baseball. His record here attracted the notice of the Chicago Bear's Professional Football team. He pulled the Bears out of a long slump and won the League Championship his third year, developing a system of play which they still use.

He came to Lake Forest College as Head Coach in nineteen-hundred and thirty-three.

GILBERT A. JOHNSON

Mr. Gilbert A. Johnson is Assistant Director of Athletics. Mr. Johnson has the Bachelor of Science degree from Northwestern University, and is at present engaged in working on the Masters' degree at the same institution.

Before coming to Lake Forest College in nineteen-hundred and thirty-four, Mr. Johnson had been athletic director of Faribault High School for three years.

As well as coaching Freshman Football and Basketball and managing classes in Physical Education for Men, Mr. Johnson has charge of the Intramural Athletics program of the college.

RICHARD WIDMARK

Mr. Richard Widmark is Assistant Director of Speech. He received the Bachelor of Arts degree from Lake Forest College in nineteen-hundred and thirty-six.

Mr. Widmark had an outstanding college career, having leading roles in many Garrick plays, a member of the debate team for four years, placing third in the State Peace Oratorical Contest, as well as earning his varsity letter in football, being a member of Iron Key, and President of the Senior Class.

DONALD DEAN PARKER

Doctor Donald Dean Parker is Librarian of the college. A product of Illinois schools, Doctor Parker received the Bachelor's degree from Park College in Missouri, the Master's degree for work done in Sociology at the University of Chicago and the Doctor of Philosophy degree from the same institution. He also attended the University of Illinois for a summer, and the University of Strasbourg, France, for a year.

Doctor Parker has traveled extensively in more than a score of countries. For ten years he lived abroad: in China, the Philippines, and in Europe. For two years he was Librarian and Instructor of English in Shantung Christian University in North China. After a year of travel and study in Europe, and three years of study in this country, Doctor Parker went to the Philippines under the Bureau of Education. After a year in the Provinces, he went to Manila as Principal of the Union High School, a position he held for five years. This was followed by a year and a half of study at the University of Chicago where he was a Fellow. Doctor Parker came directly from the University to Lake Forest College in September, nineteen-hundred and thirty-six.

MARIE J. MELOY

Miss Marie J. Meloy is Registrar and Secretary of the Faculty. Miss Meloy received the Bachelor of Arts degree from Monmouth College, and did further work at the University of Wisconsin and Columbia University.

Before coming to Lake Forest College in nineteen-hundred and twenty-seven, Miss Meloy did institutional social work and teaching in Michigan, and clerical and secretarial work in Chicago. Previous to her present positions, she has served at Lake Forest College as Secretary in the President's Office, and Secretary to the President.

WARREN S. HALL

Mr. Warren S. Hall became Business Manager of the college in nineteen-hundred and thirty. Mr. Hall received the Bachelor of Science degree from Franklin College, and took graduate work in Commerce at the University of Wisconsin, Northwestern University and the Y.M.C.A. School of Commerce in Chicago.

Before coming to Lake Forest College Mr. Hall was Accountant, Auditor, and Manager of Properties for Grafton Johnson of Greenwood, Indiana; Sergeant Major and Lieutenant in the Infantry during the World War; Instructor, General Service Manager, and Director of Budget and Statistical Division at La Salle Extension University of Chicago; Director of Statistical Research at Mandel Brothers, Chicago.

Mr. Hall is a member of the Presbyterian Church, Phi Delta Theta, the Chicago Chapter of the American Statistical Association, the University Club of Evanston, and the Executives' Club of Chicago.

RALPH L. FERGUSON

Mr. Ralph L. Ferguson became Assistant to the President in nineteen-hundred and thirty-five. He received the Bachelor of Arts degree from Lake Forest College, majoring in Economics and Physics. He attended the Northwestern Coaching School in the summer after graduation.

Before coming to Lake Forest College, Mr. Ferguson taught for half a year at Leelanau for Boys, a progressive school in Michigan, and two years at the Lake Forest Day School.

MRS. ANNA M. SMITH

Mrs. Anna M. Smith, Director of Dining-rooms and Dormitories, came to Lake Forest College in nineteen-hundred and twenty-six from Cornell University Infirmary, Ithaca, New York. She had held the position of Dietician there for six years.

Since coming to Lake Forest College, Mrs. Smith has brought about many changes and improvements, including combining the Women's with the Men's dining-room, a complete renovation of North Hall with the addition of a Lounge for the Freshmen, regular inspection of all dormitories, and a variety of improvements in Lois Durand Hall.

First Row: Myron Perry, Dr. E. A. Johnson, Harlan McClung

Iron Key

Membership in Iron Key, the local honorary fraternity for junior and senior men, is granted to those recognized on campus as leaders in scholarship and activities. A strict merit system, as the basis of election, has made membership in Iron Key a real honor.

Each spring at the Honor Chapel the new members are tapped, the number of which can never exceed the number of seniors who will be graduating. Those chosen at the end of their sophomore year are initiated the following semester.

Dr. E. A. Johnson is an honorary member and advisor of Iron Key.

Top Row: Robert Lewis, Dale Smith, Myron Perry, Edward Jenner, William Wright, Carl Marienfeld, Alfred Kuerst, Harlan McClung.

First Row: Dr. E. A. Johnson, Dr. H. M. Moore, Dr. R. B. Williams, Frank Roberts.

Not Present: Chester Adams, Albert Smith, Richard Gripe.

Phi Eta Sigma

Lake Forest is one of the smallest colleges with an authorized chapter of Phi Eta Sigma. There are now 30 chapters in the United States and the one at Lake Forest, installed in 1929, was the eleventh chapter to be established.

The requirement for membership in this national honorary fraternity for Freshman men is a 2.5 scholastic average for the first semester of the freshman year or the same average for the two semesters. Chester Adams was initiated during the second semester of this year.

Frank Roberts was sent as delegate from this chapter to the national convention held at the University of Alabama, March 26 and 27.

A smoker was given for the Freshman men in the foyer of the Henry C. Durand Auditorium in December.

Dr. Herbert M. Moore, Dr. R. B. Williams, and Dr. E. A. Johnson are honorary members and sponsors of the group. The officers for this year have been: Frank Roberts, president; Harlan McClung, vice-president; Myron Perry, secretary; William Wright, treasurer; Edward Jenner, historian.

Top Row: Ruth Brennan, Bette Jane Poole, Margaret Shoemaker, Janice Longbrake, Gladys Longbrake

Bottom Row: Sara Rachel Lineburg, Charlotte Meyer, Mrs. Moore, Miss Koupal, Dorothy Quentin

Not Present: Betty Cobb, Marion Phipps

Alpha Lambda Delta

Alpha Lambda Delta, national honorary sorority for freshmen women, was established on Lake Forest College campus in February, 1934. The requirement for membership is a 2.5 scholastic average for the first semester or for the year. The purpose of Alpha Lambda Delta is to encourage high scholarship and to sponsor a high standard of learning.

Miss Agnes R. Koupal is advisor for the group and Mrs. Herbert McComb Moore is an honorary member. The officers are: Charlotte Meyer, president; Sara Rachel Lineburg, senior advisor; Marion Phipps, secretary; and Gladys Longbrake, treasurer.

The activities of the group include a tea in the first semester for freshmen women and a sunrise breakfast in the second semester.

Betty Cobb was the only new member initiated in February of this year.

Top Row: Charlotte Meyer, Lois Wilson, Janet Hardsocq, Anna Barnstable, Janice Longbrake
 Second Row: Margaret Shoemaker, Jane Clark, June Webster, Esther Dixon, Sara Rachel Lineburg
 First Row: Charlotte Bernard, Eileen Kelley, Janet Jamieson, Jean Ingram

Kappa Alpha

Kappa Alpha has become entirely a senior women's honorary organization. The constitution of this exclusive fraternity was reconstructed this year to limit its membership to senior women, who in the future will be elected at the end of their junior year. Instead of the definite requirements of past years, membership will from now on be granted on the basis of scholarship, leadership, activities and character.

Kappa Alpha has endeavored in the past year to make itself of service to the college and to take an active part in all campus activities. It has taken over the ushering at the Garrick plays and sold flowers at Dad's Day.

Mrs. William McPheeters, sponsor of the group, has opened her home on several occasions for meetings of the club which are held about once every two months. The officers of the honorary organization, which now has a membership of thirteen members, are June Webster, president, and Esther Dixon, secretary-treasurer.

 First Row: Frank Roberts, Dale Smith, Hazel Fisher.
 Not Present: Jane Clark.

Student Council

Equal representation of one member on the Student Council is granted to each fraternity and sorority and the two independent groups. The council strives to eliminate factions and politics from the student government.

Dale Smith, as president of the council, and Harlan McClung, as a representative of the junior class, were sent to the National Student Federation of America convention held this year in New York City. A student forum was held January 13 to discuss whether or not Lake Forest College should remain a member of the N.S.F.A. An amendment was added to the student government constitution providing for the election by the junior class of the Prom King who should share, equally, profit or loss with the class.

The council was host to a conference of delegates from five small colleges in this area March fifth and sixth. Music, dramatics, athletics, publications, debate, and college problems were discussed and a plan was formulated to have another meeting this year.

The officers this year have been Dale Smith, president; Frank Roberts, vice-president; and June Webster, secretary.

Top Row: Elizabeth Williams, Janet Hardsocg, Helen Smith, Virginia England
 First Row: Estella Mae Lawrence, Margaret Shoemaker, Jane Clark
 Not Present: Dorothy Quentin and Elizabeth Korhumel

Women's Self Government

The purpose of the Women's Self Government of Lake Forest College is "to regulate matters pertaining to the student life of its members which do not fall under the immediate jurisdiction of the faculty, to further in every way the spirit of unity of the women of the college, to increase their sense of responsibility toward each other, and to be a medium by which the social standard of the college can be made and kept right." The association functions through a house committee of Lois Durand Hall which is headed by the president and supervised by Dean Koupal.

The activities of the organization this year have included a Freshman circus in October, a Christmas party in December, a tea for alumnae after the football game on Homecoming, and the annual Lois Durand Hall formal which was held January 16, 1937. They also sent oranges to the boys of Arden Shore for Christmas and donated ten dollars to the Red Cross for flood relief. One of the duties of the house committee is to maintain the recreation room, established by the Women's Self Government last year.

The officers of the association for the past year have been Margaret Shoemaker, president; Estella Mae Lawrence, secretary for the first semester, and Janet Hardsocg, second semester secretary.

Top Row: Jean Hessler, Margaret Shoemaker, Estella Mae Lawrence, Dolores Norquist, Elizabeth McArthur, Mary Nusbaum
 First Row: Eleanor Bertrand, Margaret McKenzie, Helen Smith, Marion Biggs
 Not Present: June Webster

Pan - Hellenic Council

The Pan-Hellenic Council entertained the girls of the Ridge Farm tubercular home at a Christmas party December 14. They amused the girls with games, refreshments, and a real Santa Claus impersonated by Vivian Read.

The Lake Forest chapter of the Pan-Hellenic Council was organized in 1935. It arbitrates, through its by-laws, all controversies between sororities and enforces the regulations set up by its national constitution. During rushing they met every day, otherwise meetings are held monthly. Membership includes the presidents of all the sororities and one other member elected by the various groups. The presidency succeeds to each sorority by the right of seniority. The secretary is elected by the group at the last meeting of each year.

The officers for this year were Margaret McKenzie, president and Helen Smith, secretary. Miss Koupal is the advisor of the group.

Top Row: Jane Tverdahl, Jean Hazlewood, Allen Long, Sara Rachel Lineburg, John Norrington, Elizabeth Korhumel, James Westover, Vivian Read, Harry Streibich, Marion Lane.
 Second Row: Jane Clark, John Laird, Margot Baer, Marshall Howard, Lois Wilson, Alfred Brown, Janice Hagerty, William Wright, Janet Hardsocg.
 First Row: James Tibbetts, Ruth Read, Mr. Widmark, Mr. Tomlinson, Hazel Fisher, Alford Dubs, June Webster.
 Not Present: Sara Kiningham, Geraldine Anderson, Ruth Marie Osborn, Ruth Brennan, Dorothy Roedel, Donald Hart.

Garrick Club

The Garrick Club, which has attracted much attention in the Little Theater field, finds itself, after thirty-six years of existence, with the reputation of being one of the finest college dramatic groups in the middle west. It looks back on years of repeated success, recalling with pride such productions as *DEATH TAKES A HOLIDAY*, *STREET SCENE*, *BERKELEY SQUARE*, *ANOTHER LANGUAGE*, and *ALIEN CORN*. This year they have produced a variety in types of drama, including *THE BISHOP MISBEHAVES*, *BIG HEARTED HERBERT*, *THE BARRETTS OF WIMPOLE STREET*, and *CEILING ZERO*.

This year saw Richard Widmark, one of the most talented of Garrick's alumni, installed as assistant director to Mr. Tomlinson, head of the Lake Forest speech department and director of the Garrick Club.

The Garrick Club presented the Tatterman's Marionettes, February 15, 1937, in *PEER GYNT*. A "back stage" party to glorify the stage hand was given for the new members February 20.

The officers of the club for 1936-1937 were Hazel Fisher, president; Marion Lane, vice-president; and June Webster, secretary-treasurer. Allen Long and Jane Clark were members of the executive committee.

Stage Crew

"All work and no play—" doesn't quite apply to the stage crew. Rather, it is a matter of all work and no glory. Stage manager Marshall Howard and his crew produced some splendid sets for this season's Garrick plays. That for the *Barretts of Wimpole Street* was probably the finest from a creative standpoint but the double set for *The Bishop Misbehaves* and the technical achievement in *Ceiling Zero* were also praiseworthy.

William Van Sickle, Manager Howard, John Laird, Betty Friebe!, Eleanor Bertrand, Frances Stakel, Jane Shoemaker

Big Hearted Herbert

The freshman play is always received very critically. Apparently this fact was appreciated by the unseasoned cast of *Big Hearted Herbert* for their performances on the evenings of December ninth and tenth were remarkably smooth and sincere. Talents displayed at that time have been utilized in subsequent productions to good advantage and the satisfaction of Garrick standards.

Peer Gynt

On the evening of February 15, Garrick sponsored a production of Henrik Ibsen's *Peer Gynt* given by the Tatterman Marionettes. As a marionette show, *Peer Gynt* was unique in that a full size stage was used with modern settings involving seven scenes. The full size stage necessitated ten foot strings on the dolls which greatly increased the difficulty of manipulation. Those who attended the play will always remember such scenes as the *Hall of the Mountain King* and *On the Coast of Morocco*.

Debate

With the largest number ever to report for debate in the history of the college, Mr. Tomlinson had ample material this year for an extensive debate schedule upon the subject of "Resolved: That the Extension of the Consumer Co-operative Movement Would Benefit the Public Welfare." In addition to the twenty men who came out for debate, there were ten women on Coach Richard Widmark's women's debate team.

Tom Diver, debate manager, prepared the schedule which included the Illinois State Debate Tournament at Peoria, the Manchester Tournament in Indiana, the Wisconsin State Debate Tournament at Madison, and an Indiana Trip. Individual teams debated by the squads during the year were: Wisconsin University, Illinois University, Chicago University, Northwestern University, Indiana University, Notre Dame University, Marquette University, Purdue University, DePaul University, Butler University, Beloit College, Carroll College, Wabash College, DePauw College, Lawrence College, and Wheaton College.

The men's debate squad is particularly fortunate this year in that it will lose only four veteran seniors: Diver, Roberts, Smith, and Kuerst by graduation and that many of the men and women reporting for debate are freshmen and sophomores.

Hazel Fisher, a member of the women's squad, won first place in the Illinois State Peace Oratorical Contest held by the Illinois State Oratorical Association and represented Illinois in the national contest.

Top Row: Esther Dixon, Allen Long, Harlan McClung, David Stryker, Hazel Fisher.
 Bottom Row: Sara Rachel Lineburg, Lois Wilson, June Webster.
 Not Present: Catherine Craig, Royce Wright.

Sigma Tau Delta

Sigma Tau Delta, the national honorary English fraternity, has for its purpose the stimulation of an interest in creative writing and an appreciation of literature. At each meeting some member has read a paper of his own writing after which comments and criticisms were offered. Poetry, short stories, and essays were submitted. Supplementing the writings of the members, book reviews, including a study of the translations of the French writer, Beaudelaire, were presented. Meetings are held each month.

Membership in Sigma Tau Delta is limited to twelve active members of the junior and senior classes. In May of each year, new members are admitted upon the acceptance of a paper of some literary style written by the candidate. Dean W. E. McPheeters is the sponsor. Other officers are: Lois Wilson, president; June Webster, secretary; Sara Rachel Lineburg, treasurer; Allen Long, program chairman.

Top Row: Erta Reilio, Wayne Koffel, Gladys Longbrake, Robert Lewis, Eileen Kelley, William Kennedy, Charlotte Bernard.

Second Row: Ruth Brennan, Edgeley Todd, David Stryker, Royce Wright, Walter Meyer, Edward Jenner, Hugh Weston, Catherine Craig.

First Row: James Tibbetts, Janet Jamieson, Alfred Kuerst, Lois Wilson, Harlan McClung, Frances Stakel, Harold Collier, Barbara Ann Gregory.

Not Present: Margot Baer, Richard Gripe, Hawley Boyle, Ivan Guthrie, John Snow, Lloyd Van Duesen, Chester Adams, Jane Shoemaker, Sara Kiningham, Ruth Marie Osborn, Frederick Hodgdon, Charles Wakeley, Robert Mather, James Peterson.

Stentor Staff

Lake Forest's weekly newspaper, the *Stentor*, started the second half of its century with the publication of Volume 51 this year. The first fifty years saw much improvement in the student publication and changes are continually being made toward better organization and efficiency.

With Lois Wilson as Editor-in-chief and four sub-editors, Harlan McClung of the News Department; David Stryker, Features; Janet Jamieson, Women's News; and James Tibbetts, Sports, the *Stentor* continues to hold its place on campus, reporting the news, directing campus opinion, training students in journalism, and recording the events of the year.

Assisting the Business Manager, Alfred Kuerst, are Charles Wakely, in charge of circulation and Wayne Koffel, advertising.

Beginning this year, the *Stentor* is being printed in Lake Forest by Russell Heitman of the *Lake Forester*. Don Hunt, linotype operator for the *Stentor* during twelve years of its publication in Highland Park came to Lake Forest with the opening of the new shop.

The fourth annual Freshman issue was published March 5, with James Peterson and Richard Gripe as co-editors, and Jack Venema, Elizabeth Cobb, Marion Cole, and Edwin Guerrero as department heads.

Top Row: Eileen Kelley, Jack Barney, June Webster.
 First Row: Harlan McClung, Frank Roberts, Allen Long
 Not present: Royce Wright, Meredith Wright, David Stryker, Babette Klein

Forester

This year the *Forester* heads, feeling that there was a need for an honor not dependent upon activity and achievement, but rather, upon personality and general sociability, held an open election to choose five senior women and five senior men who would receive Honor Foresters. Each person elected would receive a *Forester* with his or her name stamped in gold on the cover and the title, HONOR FORESTER, at the head of the activities list in the senior album section. Because of a tie, six books were awarded to the men.

The following staff members of the 1937 *Forester* were responsible for: Activities, June Webster; Faculty, Harlan McClung; Classes, Esther Dixon; Sports, Jack Barney; division page drawings, Allen Long; Betty Coed sketches, Babette Klein.

Top Row: Robert Katz, David Stryker, Wayne Koffel
 Second Row: Gladys Longbrake, Catherine Craig
 First Row: Janice Hagerty, June Webster, Elizabeth Williams

Tusitala

The growing student interest in *Tusitala*, the college literary publication, led the administration to foster three editions of the magazine this year instead of the former two editions of past years.

The first issue in November was dedicated to the winter season and included seventeen pages of essays, short stories, poetry, book reviews and editor's page. This was the first edition to feature pictures. The second edition, which was distributed the twenty-first of March, was dedicated to spring. The summer issue will be published in late May.

June Webster, editor, and Wayne Koffel, business manager, have worked in cooperation with the faculty board of publications, which this year for the first time took over the supervision of the publication of *Tusitala*.

Top Row: Chester Adams, Hugh Weston, Jack Venema, James Cooper, Robert Klopfenstein

First Row: Robert Carlson, Eileen Kelley, Donald Hart, Wayne Muller, Richard Gripe

Not Present: Susan Lederer, Royanne Bartlett, Marjorie Higgins, Robert Milton, Harold Collier, Helen Condit, Al Jean Kern, Elizabeth Ritzler, Thomas Hyman, Ian Falconer, Edward Higgins, Gladys Longbrake, Albert Smith, and fraternity and sorority publicity chairmen.

News Bureau

Lake Forest College has had a news bureau for many years, but this was the first year that it was given actual organization and placed largely under student direction. It now boasts a staff of more than twenty-five students, an office in the Henry C. Durand Auditorium, and good mechanization for turning out news stories. The purpose of the bureau is to send accounts of interesting events on the campus to newspapers throughout the nation, concentrating upon large cities and towns from which Lake Forest students have come. A clipping service, employed by the news bureau, showed that Lake Forest College stories appeared in newspapers from New York City to Pyenyang, Korea. In addition to getting publicity for the college, work on the staff affords good opportunity for actual journalistic experience. Throughout the year, the bureau sponsored monthly talks by competent journalists who frequently gave personal aid to members of the staff. A system of key awards was devised to reward deserving staff members at the end of the year.

The editorial staff included: Donald Hart, editor-in-chief; Eileen Kelley and Marjorie Higgins, women's editors; Robert Klopfenstein, dramatics editor; Richard Gripe, news editor; and Robert Milton, sports editor. Albert Smith was the official staff photographer for whom special training with the Waukegan News-Sun was arranged. Chester Adams was manager of the office force, which included Harold Collier, Royanne Bartlett, and Gladys Longbrake. The work of the news bureau was supervised by the new publicity director of the college, Mr. Frank E. Parcells.

Top Row: Walter Spolar, David Stryker, Charles Schuster, Donald Hart, Mitchel Osadchuck.
 Bottom Row: Mr. Palmer, Elizabeth Williams, Charlotte Meyer, Edgeley Todd.

Pi Alpha Chi

This is the third year of existence of Pi Alpha Chi, formed in 1934 to promote interest in music and to provide an outlet for musical expression at Lake Forest College. It endeavors to supplement the work of the musical department by bringing together members from among the various musical groups on the campus and by encouraging them to participate in several concerts held throughout the year. Effort is always directed towards stimulating more interest in music at Lake Forest.

Numerous Sunday afternoon concerts are held at intervals throughout the year. Prominent among them this year was a performance of the last act of Verdi's opera, *Il Trovatore*, presented by the English opera company. Other programs held during the year give evidence of the success of this group in fulfilling a part of the program of a liberal arts college.

Officers for the past year have been as follows: Edgeley Todd, president; David Stryker, vice-president; Donald Hart, program chairman; Charlotte Meyer, recording secretary; and Charles Schuster, corresponding secretary.

Top Row: Walter Spolar, John Tyner, Robert Steinkraus.

Third Row: James Westover, James Cooper, Charles Schuster, Donald Hart, James Heitsch, David Stryker, Haven Jones, Robert Pfeiffer.

Second Row: Delphine Loy, Mary Margeson, Muriel Lindley, Hazel Fisher, Dolores Norquist, Sara Rachel Lineburg, Florence Booth, Frances Moore, Janice Hagerty, Edna Hannahs, Isabel Fraser, Elizabeth McArthur, Jean McDuffie, Frances Stakel, Edgeley Todd, Mr. Palmer.

Bottom Row: Dorothy Bauerle, Marie Hannula, Marion Cole, Jean Jewell, Charlotte Meyer, Lois Wilson, Jean Nichols, Suzanne Yonan, Ruth Read, Elizabeth Ritzler, Peggy Wood, Jean Hessler, Judith Weston, Ruth Osborn.

Not Present: Laura-Belle Bundesen, Marion Phipps, Anna Barnstable, Jane French, Anita Wells, Esther Dixon, John Barney, Robert Dixon, Mitchell Osadchuk, Jack Venema, Richard Gripe.

Chorus

The chorus is Lake Forest's largest musical organization. Membership is determined by try-outs, and this year an unusually large group of singers was selected by the new director, Mr. Louis O. Palmer.

The chorus has always been an active organization on campus, but this year its activities were even more numerous. Undoubtedly the most outstanding event which will be remembered by chorus members was their trip through Indiana and Michigan. Traveling by chartered bus, thirty singers presented successful concerts in Michigan City and Lansing. Included on these programs in addition to the choral numbers were solos, dramatic readings, quartets, and other novelties given by members of the chorus personnel. Many additional programs were presented by this group in Chicago and nearby cities.

Another innovation in the musical life of the campus was the Winter Concert presented by the chorus, featuring English and American composers. The Spring Festival, covering a period of several days, was as usual a musical highlight.

Organization was given to the chorus this year, and Charlotte Meyer was elected president. Other officers were: James Heitsch, business manager; Charles Schuster, librarian; and David Stryker, secretary.

Top Row: James Cooper, Walter Spolar, James Heitsch, Charles Schuster, Donald Hart, David Stryker, Edgeley Todd, Allen Long
 Bottom Row: James Westover, John Barney, Mr. Palmer, Haven Jones, Robert Steinkraus

Men's Glee Club

The Men's Glee Club, under the direction of Mr. Louis Palmer, sang this year for chapel programs, the sailors at Great Lakes, various church groups and women's clubs in Chicago and suburbs. Although still handicapped by a lack of numbers, the growing interest and improved spirit has made the group one of the best in the history of Lake Forest College. Most of the work done was a *capella*. For songs requiring accompaniment, Edgeley Todd was pianist.

Top Row: Richard Gripe, Mr. Palmer, Donald Hart, David Stryker, Allen Long.
Bottom Row: Walter Spolar, Robert Steinkraus, Joe Davis, William Berkheiser, Mitchell Osadchuck.

Concert Ensemble

The concert ensemble was a new organization at Lake Forest College last year. This year with more members the group has been received with great favor. The ensemble provided instrumental music at many college functions. It contributed much to the Garrick Club's productions by furnishing incidental music before the plays and during the intermissions between acts. At holiday dinners and other banquets at the Calvin Durand Commons, dinner music was furnished by the group. As usual, entrance and dinner music for the annual Midwinter Banquet held at the Edgewater Beach Hotel was played by the college orchestra ensemble.

Top Row: Joe Davis, Albert Smith, Allen Long, David Stryker, Walter Spolar.
 Third Row: Richard Gripe, William Berkheiser, Irving Enevold, Carl Jensen, Donald Hart,
 James Bell.
 Second Row: Donald Good, Dwight Macdonald, Robert Stryker, John Waterhouse, Robert
 Steinkraus, Robert Carlson.
 Bottom Row: Mr. Palmer, Edward Higgins, Mitchell Osadchuk, James Feasley.

Band

To provide pep music at the football and basketball games has always been the principal activity of the college band. This year was no exception, and stirring martial music helped to keep up the spirit of the players and those in the grandstands. The band was a vital part of the Student Trip to Carroll College, and led the parade through the streets of Waukesha.

The band played twice on the program of the Winter Concert. During the Spring Festival it presented a complete concert of its own, featuring soloists and ensembles in addition to complete band numbers. Although the personnel of the band is not large, the instrumentation is well balanced and is capable of very creditable performance of concert music.

A brass quartet made up of band members Mitchell Osadchuk, Richard Gripe, Joe Davis, and Donald Hart made several well-received appearances outside of Lake Forest at high schools and clubs.

Mitchell Osadchuk was elected president of this year's band; Joe Davis served as business manager.

Dorothy Bauerle, Marie Hannula
Frances Moore

Girls' Quartette

At the 1936 Commencement the Girls' quartet from Lansing, Michigan, made its first appearance at Lake Forest College. The girls came upon special invitation from President Moore, who had been much impressed upon hearing them sing at Eastern High School in Lansing. Three months later all four girls were enrolled as freshmen at Lake Forest College. Their distinctive arrangements of popular old and new songs were everywhere enthusiastically received.

Mr. Palmer worked with them on more serious compositions for four part women's voices. It was not long until they were giving entire programs at local and nearby clubs, schools, and churches.

At the beginning of the second semester a fifth girl from Lansing arrived at Lake Forest. Jean Reilley, the quartet's accompanist, made the group complete.

Phi Sigma Iota

Mu Chapter of Phi Sigma Iota, national Romance Language fraternity, was established at Lake Forest in 1928. Its membership is composed of the instructors in the Romance Languages and students in advanced courses of that department who have shown superior ability and who have maintained interest in the French and Spanish languages and literature.

Each member must write a paper once a year in connection with the work they are doing in advanced language courses. The reading of these papers makes up the programs for the year. Janice Longbrake is program chairman. There are now twelve members and Dr. Frederick van Steenderen is the honorary president. Dr. R. B. Williams is vice-president; Miss Lennards, corresponding secretary; and Sara Rachel Lineburg, secretary-treasurer.

Phi Sigma Iota is open to juniors and seniors who are majoring in Romance Languages.

 First Row: Sara Kiningham, Gladys Longbrake, Jane Shoemaker, Ruth Brennan, Bette Jane
 Poole, Geraldine Anderson

French Club

The French Club of Lake Forest College has as its purpose the promoting of an interest on the part of the students in French language, customs, and people. It gives an opportunity for those who are interested in French to become acquainted with phases not studied in the classroom.

This year the program has been quite varied, including the presentation of French plays, reviews of French books and their authors, a glance into some of the French provincial customs, and reading selected from French authors.

Dr. R. B. Williams is the sponsor of the organization and the officers are: Janice Longbrake, president; Charlotte Bernard, vice-president; and Jane Clark, secretary-treasurer.

Top Row: Evert Larson, Alfred Kuerst, Karl Hansen, Royce Wright, Walter Meyer, Donald Hart, Jack Barney, Dale Smith, Lloyd Van Duesen, George Loulan
 Second Row: Raymond Beatty, Mr. Keller, Frank Roberts, Orville Lasley, Dr. E. A. Johnson, William Wright
 First Row: Doris Hansen, Eileen Kelley, Dolores Norquist, Margaret Shoemaker, Jean Ingram, Marion Biggs

Economics Club

The Economics club was organized in 1933 by the students of the economics department under the leadership of Dr. E. A. Johnson, Mr. Louis Keller, and Mr. Robert R. Logan. Membership is limited to the better students majoring in this field.

The club endeavors to supplement the regular courses of instruction, provide the members with an opportunity to do a small amount of research work, lead discussions, and provide opportunities to view large industrial firms in operation.

To accomplish its aims the monthly meetings are used for a lively discussion of business problems which are of current interest and importance. Outside speakers are invited to discuss topics for which material is not otherwise available.

The industrial concerns of the North Shore area have been very courteous in granting permission to visit their plants and the individuals who have been invited to speak before the club have contributed greatly to its success.

The officers for this year were Orville Lasley, president; Frank Roberts, vice-president; and Margaret Shoemaker, secretary.

Top Row: Alfred Kuerst, James Tibbetts, Edgeley Todd, Royce Wright, Jack Barney, Robert Litchfield, Dale Smith
 Second Row: Margaret Shoemaker, Lois Wilson, Charlotte Bernard, June Webster
 First Row: Erta Reilio, Donald Hart, Jean Ingram

International Relations Club

The International Relations Club held a joint meeting January 17, 1936 with the Sunday Evening Club of the Presbyterian church to discuss the religious problems faced by the peoples of Germany, Russia, Spain, and Mexico. Other meetings of the year, held the first Tuesday evening of every month, were devoted to reviews of new books dealing with international affairs and open discussions of world events.

During the second semester, outside speakers were invited to address the group upon current diplomatic controversies.

New members are admitted into the International Relations club when they have given a three minute report on some world event. With so many developments in international relations, more than ample subject matter for discussion and thought proved to arouse more student interest in the organization this year than ever before.

Mr. S. A. Hartzo is sponsor of the group and the officers for this year were: Donald Hart, president; Erta Reilio, secretary; and Jean Ingram, treasurer.

Top Row: Donald Good, John Mansnerus, Edward Jenner, John Wade, William Wright, Harold Bright.
First Row: Albert Smith, Lloyd Tingwall, Marion Phipps, Dr. Harris, John Norrington.

Sigma Pi Sigma

In May of 1930 the Sigma Chapter of Sigma Pi Sigma, national honorary physics fraternity, was established at Lake Forest College. The local Chapter this year has received several new members furnishing greater activity for the group. An outstanding event of the year was the Open House which the chapter sponsored on March 17.

Requirements for admission to Sigma Pi Sigma are enrollment in an advanced physics class and a B average for the entire college course. Mathematics and Chemistry students are also eligible for membership.

Dr. Harris is the advisor for Sigma Pi Sigma. Other officers are William Wright, president; Albert Smith, vice-president; and Donald Good, secretary-treasurer.

Top Row: Albert Smith, Joe Davis, Donald Good, Edward Jenner, William Wright, John Norrington, Lloyd Tingwall, Lester Jennings, Charles Taomey.
 First Row: John Mansnerus, Jane French, Esther Dixon, Dr. Curtis, Marion Phipps, Harold Bright, Richard Gripe.

Mathematics Club

The Mathematics Club is a new organization at Lake Forest College this year. It was established to promote interest in mathematics and associated fields. At the meetings held each month members presented talks on some subject of interest but a subject not covered in the general mathematics courses. Among the topics discussed were perpetual motion, projective geometry, transformation and invariants, the proposed duo-decimal system, and the peculiarities of prime numbers.

Any student who has completed three hours of college mathematics with an A standing or six hours with a satisfactory standing is eligible for active membership. All those interested but without the requirements may be associate members.

Dr. Curtis is advisor for the group. The officers for the year are: Marion Phipps, president; Harold Bright, vice-president; Esther Dixon, secretary; and John Mansnerus and William Wright, program chairmen.

Top Row: Charlotte Bernard, John Palm, Clayton Christensen, Joseph Haas, Ruth Bolt
Bottom Row: Dr. Kopenhaver, Dr. Lineburg, Anna Barnstable

Beta Beta Beta

The Lambda Phi chapter of Beta Beta Beta, an honorary fraternity for students of the biological sciences, was organized and installed at Lake Forest College in June, 1935. By reserving its membership for those who attain high scholastic records in biology, it encourages scholarly attainment in this field of learning. It cooperates with other societies of natural science in extending biological knowledge and in encouraging new discoveries. Beta Beta Beta emphasizes a three fold program: stimulation of sound scholarship, dissemination of scientific knowledge, and the promotion of biological research. The meetings, which are held twice a month, are open to all students interested in biology. The programs are furnished either by members of the organization speaking on subjects that they personally are interested in or by outside speakers. The group has been fortunate in securing several very fine speakers this year.

The requirements for membership are the completion of sixteen hours in biology, either junior, senior, or graduate ranking, and scholarship superior to the average of the whole student body.

The officers of Beta Beta Beta are: Clayton Christensen, president; John Palm, secretary; Anna Barnstable, treasurer; Charlotte Bernard, historian, and Dr. Lineburg, counselor.

Top Row: Jean Ingram, Eleanore Bertrand, Sara Rachel Lineburg, Babette Klein, Lois Wilson, Cynthia Holmes, Elizabeth Friebe, Elizabeth Korhumel, Kathryn Eckert, June Webster.
 Third Row: Janice Hagerty, Jane Clark, Janet Jamieson, Marion Biggs, Margaret Shoemaker, Margaret McKenzie, Vivian Read, Charlotte Bernard, Dorothy Roedel, Margot Baer.
 Second Row: Dorolyn Uhlemann, Anna Barnstable, Dolores Norquist, Janice Longbrake, Janet Hardsocg, Miss Murphy, Eileen Kelley, Ruth Read.
 Bottom Row: Lois Stinchcomb, Jane French, Dorothy Quentin, Doris Hansen, Elizabeth Williams, Susan Lederer.

Women's Athletic Association

March 5, 1937, the W.A.A. gave a "Sportsman-Ship" dance in the Henry C. Durand Auditorium. The place was cleverly decorated in nautical style from foyer to stage. Joe Davis's band furnished the music and Ray Salzman, Delphine Loy, and Hazel Fisher were featured on the program.

The thirty-four members of the Women's Athletic Association have attained membership by earning 75 points through participation in sports. Points may be earned for class, varsity, or sorority teams in hockey, soccer, basketball, volleyball, and baseball; for achievement in stunts; participation and winning in tournaments; swimming; hiking; for being captain of a team; and for being manager of a sport program. It is required that every member earn 50 points a semester. This year Margaret Shoemaker and Janet Hardsocg were awarded jackets for having earned 800 points in their four years at Lake Forest College. This is the highest award given. An emblem for 500 points and a numeral for 250 points.

The local W.A.A. is a member of the Athletic Federation of College Women, a national organization, of which we are a part of the mid-west section.

The Executive Board members are: Janice Longbrake, president; Dolores Norquist, vice-president; Janet Hardsocg, secretary; Anna Barnstable, treasurer; Ruth Read, soccer manager; Jane French, volleyball manager; and Marion Biggs, basketball manager. Miss Mildred Travis Murphy is counselor for the club.

Too Many Eight O'clocks

The dogs on campus are many and varied. Some just pass through (as the stranger above who found things too tough), others linger awhile and lastly, there are the true campus dogs who are familiar to every student. "Elmer" rarely misses a lunch at the Commons (see right) and crowds the doorway hopefully while Nellie, more polite, stands in the background. Skippy (lower right) is usually found in College Hall, guarding the wastebasket in Dr. Johnson's office.

For sixteen years Dr. Moore's shepherd collie, Bo Jack, was the first dog of the campus, but upon his death last year, Frisky (below left), the Harris' pet, became the "old dog".

Frisky, who, following the death of Bo Jack, became the old grad among the campus dogs

Football

Coach Jones presents the Clayton Mark Trophy to the most valuable man on the team, Jobbie Eiserman.

The Clayton Mark trophy, conferred upon the player most valuable to the team, was awarded this year to Jobbie Eiserman of Roundout, Illinois. "Red" had been the real spark-plug of the Lake Forest attack for the past three years. He is endowed with an inexhaustible supply of energy, a compact and powerful body, and a love for the game which prompted him to go at top speed at all times. Although he was the type of player who attracted the attention of the crowd, Jobbie never strove for the limelight. To quote from a local newspaper: "When an all-time, all-star football team of Lake Forest College greats is named, the name of Red Eiserman must be added to those of Dunsmore, Folgate, Gray, and West simply because of his great spirit of competition. The tougher the going, the better Jobbie likes it. What coach could ask more?"

During the 1936 season, Lake Forest College enjoyed its most successful football season in recent years. The Jaybirds won four games, lost two, and tied one. They managed to garner 102 points to a total of 47 marked up by their opponents. In spite of the fact that the schools which furnish opposition for the "Gold Coast-ers" generally average twice the enrollment of our school, the teams turned out by Mr. Jones have more than been able to hold their own. The only team that out-classed our men this year was the unbeaten Carroll College outfit led by the nation's leading scorer, Art Buck. In each of the other games, the Jaybirds were the equal of, or decidedly superior to their opponents.

A brief summary of the season follows:

October 3. Lake Forest opened the season at Lake Forest by decisively beating Beloit College by a score of 32 to 7. The highlight of the game was the fine blocking given the ball carriers by the guards and members of the backfield. Rouse and Eiserman each scored twice, Jobbie's second score coming after he had returned a punt for 50 yards. Chet Peterson place kicked the extras after these scorings. Beloit managed to gain a total of only 17 yards from scrimmage and were forced to take to the air for their only score. Clayt Christensen intercepted one of their passes for the final score of the game.

Yes, on this run against Beloit, Jobbie got by them all for a touchdown.

1936 Season

At the close of the 1936 season, the Lake Forest footballers met to elect an honorary captain and chose Evert Larson of Iron Mountain, Michigan. Lars had been a hard working member of the team for three years. He came to Lake Forest with the reputation of being a terrific plunger for his weight (which was never much over 160 pounds). Under the direction of Coach Jones, Larson developed into an expert punter and passer. He worked hard to develop deception in his running and became an expert in this line during his last year. He showed real spirit at all times and was a great team player. Quiet and unassuming off the field and a better than average student, Lars deserved the honor which his team mates bestowed upon him.

Evert Larson receives the white captain's sweater for the 1936 season.

October 10. Lake Forest had trouble downing a scrappy Knox team but a rally in the second half netted them two touchdowns and a 13 to 0 victory. Knox dominated the play in the first half and threatened several times. At the start of the second half, an entirely different attitude was evinced by the Jonesmen. John Snow, playing his first game as an end, grabbed a pass from Clayt Christensen for the first score. Larson and Rouse accounted for the last one by consistent gains through the Knox line and off their tackles.

October 17. The annual Student Trip was not an occasion for great celebration, mainly because of a certain Mr. Arthur Buck and his gang of Carroll College gridders who trampled the Foresters to the tune of 21 to 0 at Waukesha. The first Carroll score came when Roberts was tackled behind his own goal for a safety. Buck then passed and ran our boys dizzy for the rest of the afternoon.

October 20. An acute attack of fumbling cost the Jaybirds a victory over Ripon and left them to be content with a scoreless tie. Our boys lost the ball by the fumbling method on the Ripon 6, 8, 12, and 20 yard lines on successive occasions. In spite of this over-anxiety, it must be said that the work of the team was a great improvement over the previous game. In the line especially, there was real drive, the work of George Lineburg outstanding. Hank Crawford and George Block were

A fraction of a second before Lars got off a long punt.

Top Row: Rix, Rasmussen, Wiiken, Morstadt, Kestila, C. Petersen, J. Stickles, B. Stickels, Biolo, Bloch, Schamber, Bivings.

Second Row: Behrens, Duddles, Loulan, Kroll, Fogarty, Lineburg, Snow, O. Adams, Boyle, Perry, Bax.

Bottom Row: Eiserman, F. Roberts, Larson, M. Rouse, Christensen, Sweitzer, Grace, Crawford.

very strong on defense. Frank Roberts directed a drive into Ripon territory in the final minutes of the game that ended as Peterson's attempted place kick was blocked. The running of Mel Rouse was both fine and courageous as he was playing with injuries that would have kept most men on the bench. The punting of Boyle was remarkable, averaging better than 45 yards.

October 27. Lake Forest waded through a driving rain and ankle-deep mud to a 15 to 0 victory over a strong North Central team before the duckier members of the Dad's Day crowd and student body. Petersen place kicked for the first three points. Then, after a series of plays around the center of the field, Larson passed to Eiserman who made a beautiful catch in the end zone. The big thrill of the second half was furnished by Hawley Boyle who intercepted a pass and ran 80 yards before being caught from behind. When tackled, he fumbled, North Central recovering. However, Heilman's attempted kick from behind his own goal was blocked by Christensen and recovered by Jack Stickels for the final score. Just before the end of the game, Red Eiserman returned a punt half the length of the field. The work of the veteran signal caller, Frank Roberts, and Duddles in the backfield, and Sweitzer, Morstadt, and Kestila in the line stood out.

Christy feeds the ball on a well-executed play.

SENIOR VARSITY MEN

Top: Christensen, Sweitzer, Eiserman, Crawford.
Bottom: Larson, Grace, F. Roberts, M. Rouse.

HE SMILES IN THE WORST WEATHER

Coach Jones walks around in the mud while the Jaybirds beat North Central.

November 7. Millikin College of Decatur ruined Lake Forest's chances of a share in the Little Nineteen championship when they beat the Jaybirds by the score of 13 to 0 at Decatur. Burgener, Millikin backfield star, took the opening kickoff back for a touchdown on a run of 95 yards. Burgener scored on a twenty yard sweep for the final score of the game. The work of the guards, Grace and Crawford, as well as Biolo stood out in an otherwise poor showing by the line. Among the backs the hard running Duddles and the work of the veterans, Eiserman and Christensen, was worthy of note.

November 21. Lake Forest ended the season by trouncing Albion College of Michigan by the lopsided score of 42 to 6. Led by Jobbie Eiserman, the Red and Black generally outplayed their Michigan rivals. Jobbie, acting as captain in this game, set the pace for his team. Chet Petersen opened the scoring with a field goal and Larson took a pass from Eiserman to race 50 yards for another score. Then the same combination reversed resulted in another touchdown. After a 45 yard return of a punt by Jobbie had placed the ball in scoring position, Boyle carried it over to make the score 22 to 0 at the half. Wiiken's 75 yard sprint and two touchdowns by Mel Rouse were the highlights of the second half.

Lefty comes around end with that deceptive stride.

Chet Petersen gets off one of his place kicks. See the ball?

The Ripon men seem a bit bewildered on this play.

Coach Jones says a few words between halves.

Left to right: "Mac", trainer, a possible stowaway, and Lloyd Van Deusen, manager, have things all set for the Student Trip to Waukesha.

Top Row: Coach Johnson, Joe Bacsa, William Storey, Vincent Lucania, Jerome Justen.
 Middle Row: Manager Goodere, Bob Caruthers, Dick Jauch, Don Widmark, Dick Mackey, Bob Milton, Tom Hyman, Edward Poller.
 Bottom Row: James Grear, Bob Petersen, Francis Berg, Joseph Hein, Karl Towsley, Delmar Jaeger, Douglas Anderson, Edwin Guerrero.

Freshman Football

The freshman squad was on the whole light and inexperienced, but with a lot of spirit and enthusiasm they enjoyed a fairly successful season. Since most of their time was spent in throwing enemy plays against the varsity, the schedule was necessarily limited to three games.

After two weeks of practice, the yearlings came against the American College in a rough, hard game that included both good and bad football. A blocked punt converted into a touchdown by Bob Petersen, long bullet-like passes from Jaeger to Towsley, and an eighty-five yard dash by Anderson were features of the play.

At Beloit, the boys came up against an aerial attack that had them baffled, and, although the line held well, poor blocking and tackling spelled defeat. Caruthers, Hein, Jaeger, Bacsa, and Berg stood out for the Foresters.

To end up the season, the squad really played the heads-up game that they were capable of despite the tremendous weight advantage of the Carroll eleven. In the backfield, Grear and Poller piled up the majority of the yardage.

The band plays, the crowd sings—another touchdown!

 Bottom Row: Jobbie Eiserman, Melvin Rouse, Harry Rouse, Clayton Christensen, Evert Larson.

Varsity Basketball

Lake Forest suffered just another one of those basketball seasons. Most of the games were decided by little more than a free throw and the boys couldn't make the last minute count. Experimentation in the line-up showed some fine material in the underclassmen and next season should bring sweet revenge.

Christensen and Mel Rouse were named co-captains. Christy was the most reliable and consistent man on the squad. He played 518 of the total 560 minutes of the season and led the team with a total of 93 points. "Lefty" had played two seasons at forward and this year was made over into a floor guard. Although he had some difficulty in adjusting himself, his work was good throughout the season.

Bob Stickels, playing varsity for the first time, won the Bill Emery free throw trophy besides taking second place in total points for the year. He made 72.2% of his free throws, Hawley Boyle crowding him with 71.4%.

Freshman Basketball

With a wealth of height plus speed, the freshman squad presented a high scoring combination that should have run through the season with great success. Their record of four victories and four defeats, while favorable enough, did not indicate the true caliber of the team. The well-balanced squad that boasted of eleven men over six feet had the ability to put the ball through the hoop but failed at times throughout the season to hit their winning stride.

After losing their first game to the Young Men's Club of Lake Forest by one point, the team came back a week later to collect a 44 to 27 victory from the same five. Starting the second semester, the squad went to Beloit and came through with another victory, 39 to 33. Then followed two defeats at the hands of Carroll and Beloit. As an opener to the Varsity-Knox game, the yearlings mastered the American College of Physical Education who were handicapped by a scarcity of reserve strength. Carroll then returned to win her second game, 37 to 34. The season ended with another contest with the American College, and this was a well-earned and decisive victory of 49 to 32 for the Lake Forest youngsters.

Intramural Sports

Pre-season dope forecast a big battle between the Digams and the Kappa Sigs for the intramural basketball championship and the dopesters played a good hunch, for the end of the regular schedule of games found these two teams tied with seven victories and one defeat each. The play-off game before an overflowing crowd of partisan spectators was close throughout although the Digams led most of the way.

With three seconds to go and the score at 11 to 10 in the Digams' favor, the ball was passed to Bob Caruthers of the Kappa Sigs. Caruthers, in the middle of the floor, surrounded by Digams, whirled and made a one-handed throw at the basket. The gun went off and the ball, striking the bankboard, went cleanly through the hoop. Final score: Kappa Sigma 12, Digamma 11.

The victory gave the Kappa Sigs permanent possession of the intramural basketball trophy.

With ping pong, baseball, golf, track, horseshoes, and tennis yet to be played, the intramural standings are:

	Alpha Sig	IMC	Kappa Sig	Phi Pi	Digamma
Punting	40	5	45	55	*80
Drop-kicking	54	0	*75	50	60
Varsity Football	0	25	575	75	650

1857

1937

Lake Forest College is this year celebrating the eightieth anniversary of the granting of its charter. On February 13, 1857, a charter was obtained for an educational institution under the name of Lind University. The name was changed by a legislative act of February 16, 1865, to Lake Forest University, which has since remained the legal title of the corporation. The annual Mid-Winter Dinner, held at the Edgewater Beach Hotel on March 16, commemorated the anniversary with a pageant depicting the history of the College.
